

BB&T@Work: An Employee Benefit for

We are partnering with BB&T to bring financial wellness and other services to our associates.

If you stress about your finances, you're not alone. Recent studies show that 52 percent¹ of employees indicated they were stressed about their finances. And many people think sound financial advice is only available to those who are well off, with money to invest.

But BB&T@Work can help everyone set financial wellness in motion, offering resources you need to succeed in your financial life.

You're invited to attend the upcoming informational session where you can learn more about financial wellness and the benefits of BB&T@Work including Financial Foundations, an engaging way to learn and take control of your financial future.

At this session, you can also schedule a one-on-one consultation with a BB&T personal banker, covering everything from everyday banking to loans², investments³, insurance⁴ and more.

Take advantage of this employee benefit – it can change the course of your financial future!
